

Memorial Day Weekend Raft-up!

Everyone is reminded about the raft-up off of Union Point on Saturday, 25 May, beginning around 10 a.m. Bring your favorite boat yummys to share and stay for as long as you like! All shore sailors wanting to join on the water are encouraged to reach out to a boat buddy and join the fun! There will be dinghies available to ferry you ashore! Freckles and I are out of the country and incommunicado this week but available from 20th – contact Thil Hurley with questions.
