

NEW BERN YACHT CLUB SHAKEDOWN 2024

April 26 – April 28

Beaufort NC – Where else can you drink coffee in the morning looking over the Racheal Carson Preserve, see wild horses on an island just hundreds of feet away, shop in boutique shops, enjoy a fresh brew at a microbrewery, and have a gourmet meal in the evening all within walking distance? Beaufort is our state's 4th oldest city and full of interesting places.

Join us on the docks on Friday afternoon about 5:00 PM for drinks and shared appetizers. Sign up for lunch on Saturday once we determine a venue.

Cruise down in your “big” boat to stay at the town docks. Trailer a small boat and put in at the public docks right behind town at the Town Creek water access. Bring your kayak for a cruise Saturday afternoon to look for horses and just enjoy the water. There are options for everyone!

If you need a slip, send me (Buck Irvin) your information so I can coordinate with the dockmaster but your captain should confirm the arrival and departure information directly with Beaufort docks at (252) 728-2503 or by email at beaufortdocks@gmail.com. Be sure and let them know you're with NBYC!

If you plan on bringing a kayak, paddleboard, or canoe there's a launch beach right on Taylor's Creek just before Pollock St. If you need to change, our boat and, I'm sure, others can serve as a dressing room.

I'll need confirmation later if you plan on having lunch with us but details are still being worked out as to the menu and method of payment.
