

Christmas Flotilla

I know its time to decorate for Halloween but It's also time to sign up and begin planning for the

[2022 New Bern Christmas Flotilla](#)

Saturday evening December 3rd

We have a few members signed up already and we could definitely use more boats. Please contact Sam Bidwell with your interest in participating. If you are willing to take on 'crew', please indicate how many passengers you can accommodate.

If you would like to ride on another member's boat but don't know who to ask, contact Sam Bidwell. I work on connecting you with a Captain with space on their participating boat.

While signups and coordination with the Club is helpful, official registration is made directly with the town closer to the date and I will send out registration details once they are available.
